Edited Q&A

1 **Q:** In the histogram, can you still set number or % base of the bars?

A: [Answered live at 39:12]

2 **Q:** Can we plot the time difference between laps as a color on the track map?

A: [Answered live at 36:19]

3 **Q:** Is it possible to set up the track map tags so that RS3 remembers where you put them? That way you don't have to rearrange them each time you open the program.

A: [Answered live at 42:17]

4 **Q:** Can you share live at-track data with a home computer in real time?

A: [Answered live at 1:04:15]

5 **Q:** Could you allow the GPS trace to be shifted when viewing the Google Earth map?

A: [Answered live at 1:03:16]

6 **Q:** On the track map overlay, is there a way of showing where the vehicle is at a specific point in time? I want to compare two cars and their braking points.
