“Virtual Data Coaching”
12.10.20
Edited Q&A

1 **Q:** Davin & Eric - Do you use the same approach on a Kart track that you would use on an autocross course?

A: [Answered live at 20:40]

2 **Q:** When looking at data and remote coaching, do you always need to know how fast the other drivers are or are you only looking at your driver's data?

A: [Answered live at 30:56]

3 **Q:** I have a 9-year-old who's been karting for a few years but is still a little off the pace. Would Eric's Karting 101 book be good reference for us to help her improve or is there another tool you can recommend?

A: [Answered live at 52:23]

4 **Q:** Davin - Did you have expectations of Eric before you had communicated with him?

A: [Answered live at 43:12]

5 **Q:** Is teaching a new driver easier than teaching someone who's been driving for 30 years?

A: [Answered live at 39:50]

6 **Q:** Davin - What initial data did you give Eric to start the coaching process?

A: [Answered live at 55:08]

7 **Q:** Eric - What is the fee structure for coaching and how often do you meet with your students?

A: [Answered live at 1:01:23]

8 **Q:** Davin - Have you had any coaching for sim racing?

A: [Answered live at 1:03:34]
